OUTREACH THROUGH TECHNOLOGY

## OUR MISSION

Outreach through technology is our mission by making the Gospel of Jesus Christ known across the globe through technology solutions; to assist the local church and ministries to do the same using those tools; and to provide service and quality with excellence.

## OUR PRODUCTS

### NETWORKING SOLUTIONS

OTM provides dedicated server hosting solutions and by providing an enterprise class product, we can price our solutions competitively. Our goal is to bring a Data Center secured environment to every Church we touch with our personal and dedicated team. The OTM platform of services can provide technology resources to assist your ministry from virtual desktop solutions to IPTV solutions.

### TELECOM SOLUTIONS

Our goal is to assist Churches in making the most educated decision possible when choosing a new telecom service provider. We provide analysis of current situation and provide solutions to meet ongoing needs specific to your organization and our national programs are designed to assist Churches.

### TOUCHSCREEN SOLUTIONS

Our products provide a platform for churches and other organizations to showcase their information. The digital signage interacts with visitors to give them all the information they want. Information you can add includes event calendars, menus, directions, and video.
