

OutTouch Ministries of Memphis, TN and **Dalcon Communication Systems** of Nashville, TN have formed a strategic partnership to provide **Shared Church Services** and its nationwide membership with alternative telephone system technologies. The partnership mission is to provide quality product and discounted pricing to all SCS Members.

is designed to diligently offer products and services that assist Churches and Christian organizations in the fulfillment of their ministries, reserving traditional costs for ministry while gaining the highest quality of services.

Dalcon™ is a technology firm with 30 years experience in providing high-end technology solutions that meet Church and Christian organization budgets. With a “best-of-breed” philosophy, Dalcon delivers complete IP Communication platforms offering immediate cost reductions and simplified efficiencies throughout the organization.

Our partnership will discover areas within Churches and Christian organizations where costs can be saved, undue expenses can be eliminated and services can be improved upon. The components discovered will immediately deposit moneys and efficiencies into the ministries. A few of the many benefits are listed below:

- *MISSIONS in foreign countries – dial for **FREE** with 3-digits as they are at the office*
- *Reach leaders/**MINISTERS** at any time of day, regardless of the need.*
- *Manage incoming faxes **EASIER** & eliminate the costs of expensive paper & toner.*
- *Employees/Volunteers – **WORK FROM HOME** & remain only a 3-digit extension away.*
- *Membership contact - distribute **NEWS & EVENTS** with an automated system*
- *Save money by ending the expensive technical work on the phone system.*
